HELP REQUESTED

Hi Plamedi, I hope you are having a great Thursday, I am looking for some light about internships, I got 4 semesters left to graduate, counting this currently, and I have been sending resumes since Jun, but I got only 2 responses and a couple of pre-record video interviews. So, I would like to know what can I do to get an internship for next summer. I got my Handshake profile 100% updated and LinkedIn too.
